

“Recommended to anyone with a love for history and a passion for rivers.”

Stephenie Ambrose Tubbs,
Co-author of *The Lewis and Clark Companion*

“Painstakingly researched and eminently readable account of life and change along America’s great arteries...much like a river journey – educational, unpredictable and inspiring.”

~ Brad Herzog, author of
States of Mind and *Small World*

“Enlivened by an insatiable curiosity... Mullen takes us along on his own journey of discovery.”

~ Dayton Duncan, author of *Out West:
A Journey Through Lewis & Clark’s America*

“Tom’s search for the heart of a river and its country is made with care, passion and precision.”

~ Rebecca Lawton, author of
Reading Water: Lessons from the River
